

CHILD CARE PROVIDER SUPPORT

We can help you with:

- Navigating the licensing process
- Accessing business and training resources
- Setting up your child care environment
- Connecting with resources to build your high quality program

What this looks like:

- 2-3 visits on provider chosen topic(s)
- 1 visit for grant spending
- Final visit on continued Professional Development

*Project funded by:
West Central Initiative & Minnesota Department of Human Services*
